ORANGE COUNTY SANITATION DISTRICT

INVESTMENT POLICY STATEMENT

1.0 **Policy:**

It is the policy of the Orange County Sanitation District (OC San) to invest public funds in a manner which ensures the safety and preservation of capital while meeting reasonably anticipated operating expenditure needs, achieving a reasonable rate of return and conforming to all state and local statutes governing the investment of public funds.

1.1. This Investment Policy is set forth by OC San for the following purposes:

1.1.1. To establish a clear understanding for the Board of Directors, OC San management, responsible employees, and third parties of the objectives, policies, and guidelines for the investment of OC San's idle and surplus funds.

1.1.2. To offer guidance to investment staff and any external investment advisors on the investment of OC San funds.

1.1.3. To establish a basis for evaluating investment results.

1.2. OC San establishes investment policies which meet its current investment goals. OC San shall review this policy annually and may change its policies as its investment objectives change.

2.0 **Scope:**

This Investment Policy applies to all financial assets of OC San; except for the proceeds of OC San's capital projects financing program, which are invested in accordance with provisions of their specific bond indentures; and such other funds excluded by law or other Board-approved covenant or agreement.

These funds are accounted for by OC San as Enterprise Funds as represented in OC San's Annual Comprehensive Financial Report.

3.0 **Standard of Prudence:**

The standard of prudence to be used by OC San internal staff, and any authorized investment advisor(s), shall be as described in Section 53600.3 of the California Government Code as follows: Except as provided in subdivision (a) of Section 27000.3, all governing bodies of local agencies or persons authorized to make investment decisions on behalf of those local agencies investing public funds pursuant to this chapter are trustees and therefore fiduciaries subject to the **prudent investor** standard. When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency, that a **prudent person** acting in a like capacity and

familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of this section and considering individual investments as part of an overall strategy, investments may be acquired as authorized by law.

4.0 **Investment Objectives:**

The primary objectives of OC San's investment activities, in priority order, and as described in Section 53600.5 of the California Government Code, shall be:

- 4.1 **Safety:** The safety and preservation of principal is the foremost objective of the investment program of OC San. Investments shall be selected in a manner that seeks to ensure the preservation of capital in OC San's overall portfolio. This will be accomplished through a program of diversification, more fully described in Section 13.0, and maturity limitations, more fully described in Section 14.0, in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- 4.2 **Liquidity:** The investment program will be administered in a manner that will ensure that sufficient funds are available for OC San to meet its reasonably anticipated operating expenditure needs.
- 4.3 **Return on Investments:** The OC San investment portfolio will be structured and managed with the objective of achieving a market rate of return throughout budgetary and economic cycles, commensurate with legal, safety and liquidity considerations.

5.0 **Delegation of Authority:**

- 5.1 Authority to manage OC San's investment program is derived from the California Government Code Sections 53600 *et seq.* and Sections 53635 *et seq.* The Board of Directors hereby delegates management responsibility for OC San's investment program to its Assistant General Manager & Director of Finance and Administrative Services/Treasurer, who shall establish written procedures for the operation of the investment program, consistent with this Policy. The Controller/Assistant Treasurer shall be responsible for day-to-day administration, monitoring, and the development of written administrative procedures for the operation of the investment program, consistent with this Policy. No person may engage in an investment transaction except as provided under the terms of this Policy and the procedures established by the Treasurer. The Treasurer shall be responsible for all transactions undertaken by OC San internal staff and shall establish a system of controls to regulate the activities of internal staff and external investment advisors engaged in accordance with Section 5.3.
- 5.2 The administrative procedures for the operation of OC San's investment program will provide for, but not be limited to, the following:

- 5.2.1 Formats for monthly and quarterly reports to the Administration Committee and the Board of Directors.
 - 5.2.2 Compliance with generally accepted accounting principles of the Government Accounting Standards Board.
 - 5.2.3 Establishment of benchmarks for performance measurement.
 - 5.2.4 Establishment of a system of written internal controls.
 - 5.2.5 Establishment of written procedures for competitive bids and offerings of securities that may be purchased or sold by internal OC San staff.
 - 5.2.6 Establishment of a Desk Procedures Manual for treasury operations and management.
- 5.3 The Board of Directors may, in its discretion, engage the services of one or more registered investment advisors to assist in the management of OC San's investment portfolio in a manner consistent with OC San's objectives. Such external investment advisors, which shall be selected through a competitive process, shall be granted discretion to purchase and sell investment securities in accordance with this Investment Policy. Such advisors must be registered under the Investment Advisers Act of 1940 or be exempt from such registration.

6.0 **Ethics and Conflicts of Interest:**

Officers and employees of OC San involved in the investment process shall refrain from personal business activities that could conflict with proper execution of OC San's investment program, or which could impair their ability to make impartial investment decisions. Employees and investment officials shall disclose to the General Manager any material financial interests in financial institutions that conduct business within OC San's boundaries, and they shall further disclose any large personal financial/investment positions, the performance of which could be related to the performance of positions in OC San's portfolio.

7.0 **Authorized Financial Dealers and Institutions:**

- 7.1 For investment transactions conducted by OC San internal staff, the Treasurer will maintain a list of financial institutions authorized to provide investment services to OC San, including "primary" or regional dealers that qualify under Securities and Exchange Commission Rule 15C3-1 (Uniform Net Capital rule) and Federal or State of California chartered banks. No public deposit shall be made except in a qualified public depository as established by State law.

All financial institutions which desire to become qualified bidders for investment transactions with OC San must supply the following for evaluation by the Treasurer:

7.1.1. Audited financial statements for the institution's three (3) most recent fiscal years.

7.1.2. A statement, in the format prescribed by the Government Finance Officers Association (GFOA), certifying that the institution has reviewed OC San's Investment Policy and that all securities offered to OC San shall comply fully and in every instance with all provisions of the California Government Code and with this Investment Policy. The current statement is presented in Appendix "A."

7.1.3. A statement describing the regulatory status of the dealer, and the background and expertise of the dealer's representatives.

Selection of financial institutions, broker/dealers and banks authorized to engage in transactions with OC San shall be made through a competitive process. An annual review of the financial condition of qualified institutions will be conducted by the Treasurer.

7.2 Selection of broker/dealers used by external investment advisors retained by OC San, shall be in compliance with contract provisions between OC San and any external investment advisors and shall be in substantially the following form:

Use of Securities Brokers: Neither the Investment Advisor nor any parent, subsidiary or related firm shall act as a securities broker with respect to any purchases or sales of securities which may be made on behalf of OC San, provided that this limitation shall not prevent the Investment Advisor from utilizing the services of a securities broker which is a parent, subsidiary or related firm, provided such broker effects transactions on a "cost only" or "nonprofit" basis to itself and provides competitive execution. The Investment Advisor shall provide OC San with a list of suitable independent brokerage firms (including names and addresses) meeting the requirements of Government Code Section 53601.5, and, unless otherwise directed by OC San, the Investment Advisor may utilize the service of any of such independent securities brokerage firms it deems appropriate to the extent that such firms are competitive with respect to price of services and execution.

BANKER'S ACCEPTANCE. A highly liquid draft or bill of exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

BENCHMARK. A comparison security or portfolio. A performance benchmark is a partial market index which reflects the mix of securities allowed under a specific investment policy.

BOOK ENTRY. The system, maintained by the Federal Reserve, by which most money market securities are "delivered" to an investor's custodian bank. The Federal Reserve maintains a computerized record of the ownership of these securities, and records any changes in ownership corresponding to payments made over the Federal Reserve wire (delivery versus payment). These securities do not receive physical certificates.

BROKER. A broker brings buyers and sellers together for a transaction for which the broker receives a commission. A broker does not sell securities from his own position.

CERTIFICATE OF DEPOSIT (CD). A time deposit with a specific maturity evidenced by a certificate. Large denomination CDs may be marketable.

COLLATERAL. Securities or cash pledged by a borrower to secure repayment of a loan or repurchase agreement. Also, securities pledged by a financial institution to secure deposits of public monies.

COMMERCIAL PAPER. The short-term unsecured debt of corporations.

COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR). The official annual financial report for the District. It includes five combined statements for each individual fund and account group prepared in conformity with GAAP. It also includes supporting schedules necessary to demonstrate compliance with finance-related legal and contractual provisions, extensive introductory material, and a detailed Statistical Section.

CUSTODIAN. A bank or other financial institution that keeps custody of stock certificates and other assets.

DEALER. A dealer, as opposed to a broker, acts as a principal in security transactions buying and selling securities for his own account.

DELIVERY VERSUS PAYMENT (DVP). Delivery of securities with a simultaneous exchange of money for the securities.

DERIVATIVE. Any security that has principal and/or interest payments which are subject to uncertainty (but not for reasons of default or credit risk) as to timing and/or amount, or any security which represents a component of another security which has been separated from other components ("Stripped" coupons and principal). A derivative is also defined as a financial instrument the value of which is totally or partially derived from the value of another instrument, interest rate or index.

DIVERSIFICATION. Dividing investment funds among a variety of securities offering independent returns to avoid excessive exposure to any one source of risk.

DURATION. The weighted average time to maturity of a bond where the weights are the present values of the future cash flows. Duration measures the price sensitivity of a bond to changes in interest rates. (See Modified Duration)

All securities in LAIF are purchased under the authority of Code Sections 16430 and 16480.4. The State Treasurer's Office receives all securities on a delivery versus payment basis using a third party custodian. All securities are purchased at market, with market valuation conducted monthly.

MARKET VALUE. The price at which a security can be traded (i.e., purchased or sold).

MASTER REPURCHASE AGREEMENT. A written contract covering all future transactions between the parties to repurchase or reverse repurchase agreements that establishes each party's rights in the transactions. MATURITY. The final date upon which the principal or stated value of a security becomes due and payable.

MODIFIED DURATION. Measures the percentage price volatility of a fixed income security or portfolio. Modified duration approximates the change in price for small changes in interest rates, assuming that the cash flow characteristics do not change when the yield curve shifts.
