

Newport Beach Residents Learn more about the Bay Bridge Pump Station and Force Mains Replacement Project

CONSTRUCTION STARTING SUMMER 2025

(See reverse for additional information)

Bay Bridge Pump Station and Force Mains Replacement Project

OC San is replacing the **Bay Bridge Pump Station** and two aging pipelines — called force mains — originally built in 1966. Located on **Coast Highway** between the **Bay Bridge (east of Dover Drive)** and **Bayside Drive**. This project ensures the safe collection, treatment, and recycling of Newport Beach's wastewater while protecting public health and the environment.

Use your smartphone to scan or snap a picture of this QR code and go directly to www.ocsan.gov/BayBridge to learn more.

Contact the **Construction Hotline** at 714.378.2965 or ConstructionHotline@ocsan.gov if you have any questions.
