

APPLICATION FOR ADDITIONAL WASTEHAULER DISCHARGE VEHICLE REGISTRATION

Instructions:

This application must be completed for issuance of Orange County Sanitation District (OC San) vehicle registration and inspection. For OC San to properly evaluate, process, and issue new vehicle decals, the applicant must answer all questions and provide relevant information for a complete permit application and must comply with all the following:

1. **All Wastehaulers using this form must have an active wastehauling permit with OC San.** If the wastehauler is not currently permitted with OC San, an *Application for Wastehauler Discharge Permit* must first be submitted. Vehicles will be registered when the permit application is processed.
2. **Incomplete applications will NOT be processed.** Applicant must write "N/A" if the information requested in any section of the application does not apply to the applicant.
3. **Copies of the vehicle registration must be submitted with the application.** If the vehicle being permitted is a trailer, also include the registration for the vehicle which will be used to tow the trailer.
4. **All new vehicles must have an active Orange County Health Care Agency (OCHCA) Liquid Waste Hauler (LWH) registration prior to applying for OC San registration.** The vehicle/trailer being permitted must be present on the OCHCA website active list.
5. **Once approved, the new vehicle will undergo an OC San inspection.** The vehicles must have the following during the inspection:
 - 15' MAX length discharge hose with 4-inch Chem-Lock coupling.
 - Active OCHCA permit decal on the tank.
6. **The permit application must be signed by the Responsible Officer as defined in 40 CFR 403.12 (I)(1)(i).** OC San will not process the permit application if it is not signed by an individual meeting the definition of Responsible officer or Designated Signatory. One Responsible Officer and one Designated Signatory may be defined per permit.
7. **Once Completed, deliver the original "Wet Signature" application** with a photocopy of the check or payment receipt by mail or in-person to *OC San Resource Protection Division, 18480 Bandilier Cir Fountain Valley, CA 92708*. Electronic (email) submissions will **NOT** be accepted.

All information for each vehicle to be registered is needed. OCHCA LWH permit number can be found on the OCHCA website on the active list and must match the corresponding License plate number.

- The information provided **must** be for the vehicle the waste tank is on.
- If the waste tank is on a trailer towed by a separate vehicle, registration for the towing vehicle is also needed.
- The access tags for trailers will be placed on the towing vehicle, all trailers **must** arrive at the station with the associated tagged vehicle as the tag will be needed for gate entry and automated station access.
- Once all information is verified, an appointment will be set by OC San for the vehicle(s) to be inspected and receive the decal(s). Vehicles needing replacement decals will be notified when the new decals are processed and may arrive at the Wastehauler Station during Monday-Friday operating hours to receive their new tags.
- **Processing time after vehicle inspection for new vehicles is between 3-5 business days.** The permittee will be notified when the process is complete, and the new vehicle(s) can begin accessing the OC San Wastehauler station.

The following log will be used to verify the new permitted vehicle or the vehicle requiring replacement Decal/ Tag. All information is required to process the request.
