

Los Alamitos Trunk Sewer Project

Location: Los Alamitos Blvd. from Katella Avenue to Bradbury Road

Construction Activity

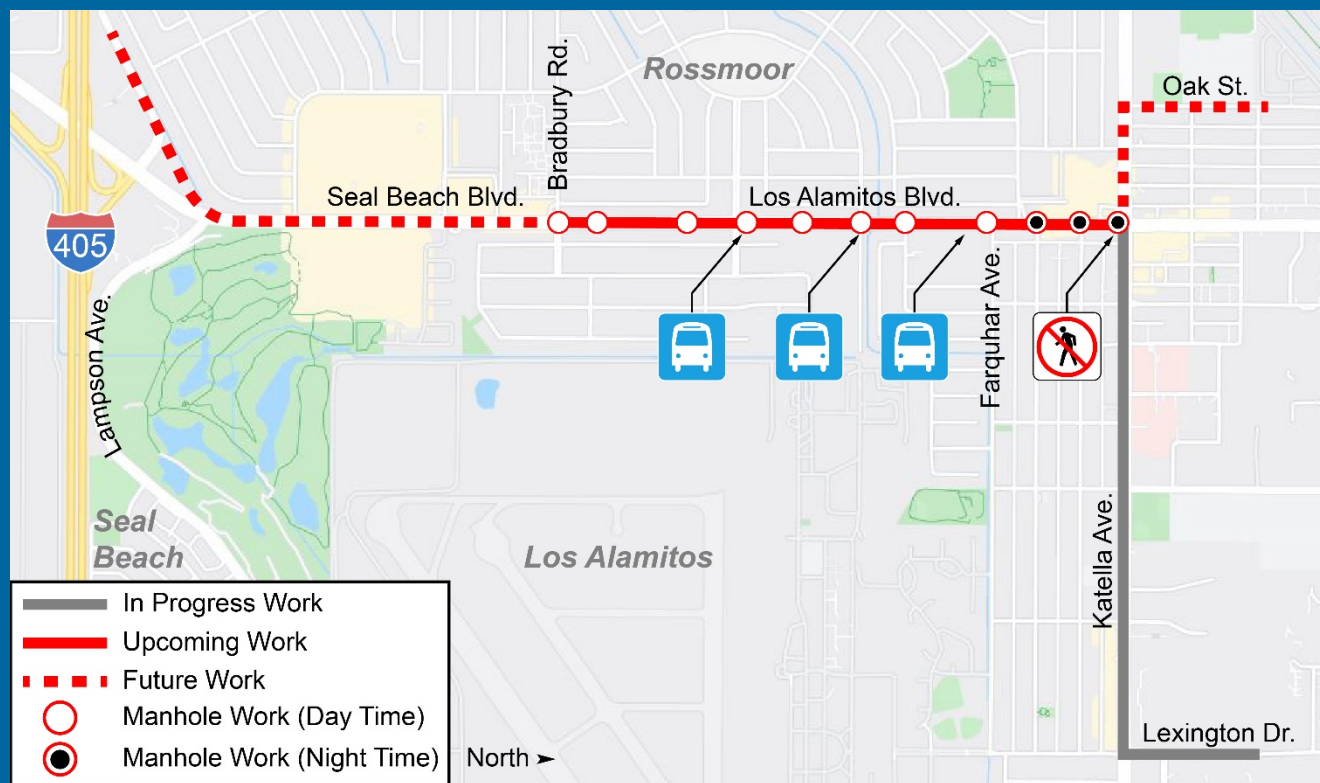

The first construction activity is sewer line cleaning and chemical grouting to reinforce the pipe. This activity will be done at night when sewer flows are low. Manhole rehabilitation work will follow behind the line cleaning. Work will consist of opening the manholes to insert a new liner which will extend the life of the manhole. Activity on Los Alamitos Blvd. is occurring on the northbound travel lanes first. Phase 2 will occur on the southbound lanes and commence in summer 2022.

Workdays and Times

December 2021 – Spring 2022

- Line cleaning: night work, Sunday – Friday, 8 p.m. – 6 a.m.
- Manhole construction:
 - Nightwork, Sunday – Friday, 8 p.m. – 6 a.m.
