

Los Alamitos Trunk Sewer Project

Location: Lexington Dr. and Katella Ave. in Cities of Cypress and Los Alamitos

Construction Activity

Work will begin on Lexington Dr. with sewer line cleaning and chemical grouting to reinforce the pipe. This activity will be done at night when sewer flows are low. Manhole rehabilitation work will follow. Work will consist of opening the manholes to insert a new liner to extend the life of the manhole. Most of the activity on Katella Ave. is occurring on the eastbound travel lanes. Following this segment of work, construction will continue on Los Alamitos Blvd.
