**Procedure:**

**Email this form to [Matt Smith](mailto:msmith@ocsan.gov) in the Compliance team to receive confirmation of date and time of pick-up.**

OC San use:  DBNotification email  Loader Scheduled  Visitor Registration

**OC San Plant No. 1 Location:** OC San is located at 10844 Ellis Avenue in Fountain Valley. Present your ID at the Guard Shack. A Compliance staff member will escort you to the compost loading area.

**On-site PPE Required:** OC San process areas where the compost is located require the following PPE. Please bring the following for each person onsite.

Hard Hat  Safety glasses or goggles  Hi-vis safety vest  Hard-toed shoes

**Transportation Requirements:** To safely transport compost, the following items are required:

Tarp or other method of covering and securing compost.

Gross vehicle weight rating. For reference, 1 scoop (~ 1 cubic yard) of compost weighs 700 - 1,500 pounds – see compost descriptions below. OC San has an onsite scale, if needed.

**Biosolids Compost Descriptions:**

The following types of compost are available. Member agencies can request more than one type to be loaded during each pick-up.

**Synagro - South Kern Compost:** Clean green & wood waste, pre-consumer food waste, and biosolids composted with a woodier and darker color than Synagro's other facility below. Material is screened to 1/2" (1,200 pounds / cubic yard)

- **Quantity Received:** \_\_\_\_\_ estimated cubic yards (1 loader scoop is ~ 1 cy)
- After demo/trial loads and to order larger quantities of this material contact: **Bob Ford at 323-843-7265.**

**Synagro - Nursery Products:** Clean green & wood waste and biosolids composted and screened to 3/4" (1,200 pounds / cubic yard)

- **Quantity Received:** \_\_\_\_\_ estimated cubic yards (1 loader scoop is ~ 1 cy)
- After demo/trial loads and to order larger quantities of this material contact: **Bob Ford at 323-843-7265 or Tom Kelley at 951-764-6074.**

**Synagro - Liberty Compost:** 100% biosolids mono-composted and typically no screening needed since fine product ~ 1/4" (1,500 pounds / cubic yard)

- **Quantity Received:** \_\_\_\_\_ estimated cubic yards (1 loader scoop is ~ 1 cy)
- After demo/trial loads and to order larger quantities of this material contact: **Bob Ford at 323-843-7265 or Tom Kelley at 951-764-6074.**

**IERCF:** Clean green waste and biosolids composted and screened to 3/8" (700 pounds / cubic yard)  
IERCF compost is not available at OC San. Coordinate directly with IERCF to pick-up demonstration load at facility in Rancho Cucamonga. Contact: **Marcus Coulombe cell – 909-664-7824.**
